Aidt Miljø A/S

This company is among the 1.338 Danish companies identified as a gazelle 2006 company.

A gazelle is one of the fastest-growing companies in Denmark in 2006. It meets the following requirements:

- The company must have published its annual accounts for at least four years.
- The company's turnover must exceed DKK one million – or, if the turnover is not stated in the annual accounts, its gross profit must exceed DKK 0.5 million in each of the four last financial years.
- The growth in turnover/gross profit must be positive from one financial year to the next.
- Seen over the total period, the company's turnover/gross profit must have more than doubled.
- The sum of the primary operating result in the four last financial years must be positive.
